Dear Sporting Dog Association of Arizona,

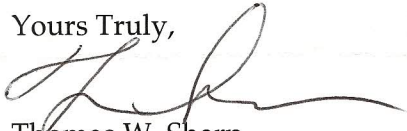

AKC Reunite would like to sincerely thank you for your tax-deductible contribution of \$1000 to the AKC Pet Disaster Relief project. Your contribution to AKC Pet Disaster Relief will help purchase a custom trailer fully equipped with the non-perishable supplies Emergency Management needs to create a safe, temporary home-base for animals displaced because of a disaster. Your contribution has been added to the total for the **Sporting Dog Association of Arizona**.

Each and every dollar given is truly appreciated and directly routed into assisting Emergency Management teams:

- co-locate humans with their animal companions during a disaster evacuation.
- house pets displaced in a safe, pop-up shelter where they can be reunited with their owners.

Thank you for choosing AKC Reunite as the recipient of these funds. While it is our intention to attempt to use your kind donation for the purpose designated, if we have monies left available after trying to use it for that purpose, we will use those funds in a manner consistent with our mission. We greatly appreciate your generous donation to Help Us Roll Out Help.

Yours Truly,

  
Thomas W. Sharp  
CEO

Dear Mr. Robinson,

Thank you so much for your very generous contribution toward the disaster trailer donated to the Arizona Humane Society (AHS). Your support will help save the lives of pets in distress around Arizona and beyond. Your generosity will provide love and care to animals recovering from abuse and mend the broken heart of pets that had been forgotten.

Quite simply, you've changed the world for homeless pets today, and we promise to continue to provide innovative programs and services that give second chances to thousands of animals each year.

This past year, thanks to support from amazing partners like you, AHS was able to:

- Save the lives of more than 17,000 pets
- Respond to more than 10,000 animal rescues and investigations through our Emergency Animal Medical Technician™ program
- Treat 9,000 ill and injured animals in our Second Chance Animal Hospital™
- Spay/neuter more than 18,000 pets as we combat the Valley's severe pet overpopulation crisis
- Serve more than 59,000 animals in our community

With your generous support, we can continue to rescue, heal, adopt and advocate for thousands of homeless, sick, injured and abused animals each year. Thank you for making a difference.

Sincerely,

Steven R. Hansen, DVM  
President and CEO
